Bob said ~~sex~~ Rape Kit Requested? Atkins said yes. then Reported it wasnt done.
I went to have them document her symptoms. Since no one believed me, Police told me to gather evidence. Jan 12 at Nov 13 contempt hearing (for denying visitation for sex abuse) told me I needed more corroboration.
Doctors Reccomended Rape Kit. I denied their request. I did not request Rape Kit. They reccomended it so that they wouldnt contaminate sex abuse evidence during ~~Rape~~. Regular exam- all I went there for.
